# 20<sup>th</sup> ANNUAL GOLF CLASSIC

Monday, July 15, 2024  
The Woodside Club, Muttontown

*honoring*  
**Don & Melissa Saladino**  
**Deacon Larry & Christina Faulkenberry**

Located in the Village of Lloyd Harbor in Huntington, about forty miles east of New York City, the edifice built in 1930 as the Seminary of the Immaculate Conception stands on more than 200 acres overlooking Long Island Sound.

The continuing transition from Seminary to Retreat & Conference Center has resulted in greatly increased usage of the facilities. As a venue for academic and pastoral conferences, the Center is blessed with groups from around the country. Diocesan entities, religious orders, parish groups, colleges, secondary and elementary schools avail themselves of the facilities and amenities available for retreat programs. A spiritual center and place of renewal, the Center hosts workshops, lectures and retreats for both religious and secular groups. Clergy conferences, parish groups, religious groups, high school retreats, etc. from the Dioceses of Brooklyn, Rockville Centre and the Archdiocese of New York all avail themselves of the unique facilities. The Permanent Diaconate Formation Program of the Diocese of Rockville Centre is based at Immaculate Conception. The Center also serves as the retreat venue for seminarians from St. Joseph's Seminary in Yonkers. There is no question that the mission of "education and formation..." continues to be fulfilled.

All who visit the Retreat & Conference Center are overwhelmed and inspired by the unique beauty of the chapels, facilities and surrounding property. As one would expect, ongoing maintenance and updating of the nearly 100-year-old campus is essential. The Annual Golf Classic is a vital source of revenue to meet the yearly costs. There are many sponsorship and journal opportunities for support of this special event. If you are not a golfer, please plan to attend the dinner. With prayers for God's blessings on you and your loved ones, thank you for your interest and participation.
