“The master heresy is subjectivism. It is the parent of all the others, for only after the objective truth is denied are we ‘free’ to recreate the new truths in the image of our own desires.”

Dr. Kreeft is Professor of Philosophy at Boston College, and one of our most popular and prolific Catholic writers. Among his books: Catholic Christianity, Summa of the Summa, Back to Virtue, C.S. Lewis for the Third Millennium, and Before I Go: Letters to Our Children About What Really Matters.
